

The Social Scene

On behalf of Susan and I, let me say that this past month has already seen much action *and* change - positive change that is; like "black gold", "Texas tea", anyway, you get the idea.

February 13th is our next social event. This party is a "Steak Night" **reservation only party**. The cost of each reservation is \$7.00. Reservations should be made by contacting Carol Teat **no later than Monday February 8th by 7:00 p.m.** Those of us who were there this past year know that Brian Lindsey's assurance of prime grade beef is no way, shape, or form an exaggeration!

As a compliment to the main course we will be providing both salad and dessert. Also, my previously mentioned dreams about taking away salt shakers and replacing them with other alternatives are about to come true! Consequently, I must let you know of February's "GREAT EXCHANGE!!!! Drum Roll Please!! For the first time ever at HCYC we will have two options for potatoes - regular baked white and sweet potatoes!

TADA!! I really do have everyone's best interests at heart (and you got scared)! Remember, baby steps, one at a time.

We love the lake!!

Anna Bustamante and

Susan Hooper
