

CLUBHOUSE IMPROVEMENTS UPDATE

By Brian Lindsey

At the Membership Meeting on March 13th, the quorum of members present cast their ballots indicating their preferences for clubhouse flooring. The result of the vote is:

Clubhouse floor all vinyl	1
Clubhouse floor all carpet	6 votes
Clubhouse floor carpet with vinyl In kitchen area, serving area and Restroom entries	66 votes
Keep old carpet – no action	12 votes

ATTENTION ALL MEMBERS!!!

We expect to need approximately \$6,000 for the new floor in the clubhouse (for removal and disposal of the old floor covering and purchase and installation of the new carpet and vinyl). It is a combination of carpet and vinyl throughout the clubhouse and bathrooms. We might be able to get it done for less. When we reach our goal, we will start on it. Any excess funds will go towards other building projects on the agenda. If every member will donate \$25-\$50, we can easily reach our goal of \$6000. You can make your donation for the floor with your monthly dues. Simply earmark your payment for the donation to go towards the building fund.

Thank you for your donations.

Bryan Lindsey
