

TEXAS WATER SAFARI

By Myrna George

My husband, Bill George and a friend started the Texas Water Safari forty years ago. When my husband and friend did it they went from San Marcos to Corpus Christi Bay. The race still goes on the second weekend in June. It starts in San Marcos, on Saturday, the 12th and ends in Seadrift on Monday 14th. If you are interested in doing the race can pull up Texas Water Safari on your computer and you can get info on the race.

If you are interested in reading more about it pull, up History of Texas Water Safari. The (Big Willie) mentioned is my husband. Some club members might be interested in the race. I believe if they are they would have to contact the Safari the next few weeks get their name on the list.
