

"Ken-Ducky" Derby!

By Brian Lindsey

Many thanks to everyone who participated in the HCYC Duck Race.

The event was a big success, and we raised \$650 towards the new clubhouse floor! It was great fun to see so many members crowded onto the deck cheering on their little rubber duckie as if they were thoroughbreds. I'm sure any uninformed spectators assumed we had all gone quackers!

Please keep in mind that we still need your help to reach our goal. We've raised over \$1,200 so far and, with the \$1,800 allocated in our budget, we're halfway home! You may make donations via your membership account or simply contact any board member.

A special thanks to Larry Price's mom for having the foresight to buy 65 rubber ducks at a garage sale. What a great "FUN-draising" idea!
