HCYC Youth Activities

Sunfish Sailing:

The Sunfish are still in the process of being repaired. Each of them is to have the hull repainted, lettering applied for identification as club boats and the sails are to have "HCYC" applied to each. If there is anyone who could assist me with the still needed repairs, I would greatly appreciate hearing from you.

April Post-view:

Unfortunately, the TPWD Boater Education class had to be postponed due to issues beyond my control. I am working on getting another date set up. Also, movie night was cancelled due to rain. Another date will be chosen for movie night.

May Preview:

Saturday, May 15th: Youth Destination Sail to Lake Canyon Yacht Club for an afternoon of swimming, cook-out, and games. Reservations are required as we will be using members' sailboats for transportation. Parents and other adults are requested to chaperone.

Saturday and Sunday, May 22nd and 23rd & May 29th and May 30th: LCYC Youth Sailing Camp – **Registration may be done now.** This is a great youth sailing class over the two weekends. Younger students learn to sail Optimists, older students learn to sail Sunfish and possibly Lasers. Register online at the LCYC website <http://www.lcyc.net/learntosail.html>. There is NO COST for the camp, but there is a registration fee if you are not sponsored by an LCYC member. Parents, contact me if you wish to sign your child up for the camp as I can sponsor your child. May 22nd will be the Jamaican Me Crazy Race. I can provide transportation to or from HCYC for your child if needed.
