

The Social Hour

As I am sitting, pondering, and reflecting on this month's social event, I must consider myself lucky. Once again I have been blessed! "Providence" allowed me to meet another interesting and wise individual.

While searching for the perfect "Jerk" sauce I was blessed to have met Willard who owns "Willard's Jamaica Jerk B-B-Q" in San Antonio. Willard and I had a long heart-to-heart discussion about life. I am now much wiser and can spread this wisdom to any and all who are willing to listen.

This month's social event was quite a success. Friday evening started out with the usual preparations - **Randi** did an awesome job marinating the chicken for the party. The chicken ran out before we could turn our heads. We thought it would be for those who didn't eat pork but, go figure - it looked so tasty everybody wanted some!

I never knew pulling pork could be so entertaining. **Brandi** and **Gabe Vitier**, **Susan**, **Chris**, and **Joe** were pulling like maniacs! I almost felt guilty until I thought about how much cleaning they were leaving me with.

Aida, Aida, Aida - my chicken foot / kitchen partner in crime - THANK YOU!

A special thanks to those members who provided additional provisions and helped to make our event an even better success!

Sherry Murphy, **Catherine Deatherage**, **Kim Budde**, and many others were absolutely invaluable as we were cleaning up the kitchen and clubhouse!

Next month's event is sure to be a success...Thank you everyone!

We love the lake!
