

# *HCCYC Youth Activities*

Kudos to members for your help with the Youth activities: **John Ruiz, Larry & Michelle Price, Jesse Murphy, Sam & Eva Fisher, Pete Macler, Suzanne Roper, and Diane Wisner**. Without your help, the youth program could not be as strong as it is!

**Sunfish Sailing:** All three Sunfish now appear to be in sailable condition. One Sunfish has had its hull repainted blue sapphire; one coat of primer and three coats of polyurethane. It looks very good. The hull refinishing of the other boats has been rethought; a good cleaning and polishing is probably all that will be needed for the hulls of the other two. The decks of all three boats need some elbow grease and bar keeper's friend. The next thing to do with the sails is to apply permanent stick-on letters "HCCYC". If there is anyone who could assist me with the still needed repairs, I would greatly appreciate hearing from you.

## May Post-view

**Pete Macler and Sam & Eve Fisher** graciously transported **Randle and Stacy Moore, Emily Stewart, Diane** and **Jaden Wisner, Suzanne Roper** and **Veronika and Vicktoria Haynes** to Lake Canyon Yacht Club for an afternoon swim and cook-out. Heavy rains in the wee hours of the morning and overcast skies gave way to a beautiful sunny spring day with a good mid-day wind. I look forward to our next destination lake trip in July.
